

ONLINE BANKING AGREEMENT AND ELECTRONIC FUNDS TRANSFER DISCLOSURE THE COOPERATIVE BANK

Online Banking Agreement

This Agreement and Disclosure describes the terms and conditions of TCB Online Banking, the Internet banking service of The Cooperative Bank, the disclosures required by Electronic Funds Transfer Act and additional information required by use terms and conditions of Online Banking. Online Banking is a consumer electronic banking service that allows you to access your account information, check balances, transfer funds and, if you elect to register for the additional service (and are approved), to pay bills.

Definitions

The following definitions apply in this Agreement. "Online Banking" is the internet-based service providing access to your The Cooperative Bank account(s). "Online Account" means any account from which you will be conducting transactions using a Service. "Time of Day" references are to Eastern Standard Time or Eastern Daylight Time, as applicable. "We", "us", "our", or "Bank" refers to The Cooperative Bank which offers the Services and which holds the accounts accessed by the Services. "Bill Payment" is the online service that enables the scheduling of bill payments using a personal computer.

Access to Services

The Cooperative Bank will provide instructions on how to use Online Banking and Bill Payment Services. You may gain access to your Online Banking Accounts through the use of your Internet-enabled device, your internet Service Provider, your Password and your Login ID. You may use Online Banking any time, day or night, seven days a week. Online Banking, however, may occasionally be temporarily unavailable due to Bank record updating or technical problems. Access to the Service may be slower at times due to high Internet traffic or other factors beyond our control. In addition, access to Online Banking is made available according to the terms of a third party service agreement among The Cooperative Bank, COCC and Fiserv. Fiserv processes all Bill Payment transactions. Any interruption of services or access caused by COCC or Fiserv may prevent your use of Online Banking or Bill Payment Services. We are not responsible for any delays or difficulties you may have in accessing the Services or certain features. The Cooperative Banks internet address is <https://www.thecooperativebank.com>.

Computer Requirements

You will need to provide, at your own expense, a computer, have Internet access through an Internet Service Provider and Internet browser software. Your Internet or other web browser software must support a minimum 128-bit SSL encryption. We are not responsible for any errors or failures caused by any malfunction of the Computer or any Computer virus or related problems that may be associated with access to or use of the Services or the Computer. We also are not responsible for any losses, injury, damages or delays in transmission of information you provide to us or otherwise arising out of or incurred in connection with the use of any Internet or other service provider providing your connection to the Internet or any browser software.

Access

If two or more depositors are joint owners of the account accessed by Online Banking, each may have access to the account through Online Banking. When your Online Banking is linked to one or more joint accounts, we may act on the verbal, written, or electronic instructions of any authorized signer regarding your service for those accounts. Each person on a joint account will be liable for all transactions that were made on that account by all other joint account holders of that account. It is your responsibility to notify us if a signer should no longer be given access to the joint account through Online Banking. Notices sent to the address of one account holder are binding on all account holders. We recommend that you print or store a copy of this Agreement for your records. If you are unable to print or store a copy of this Agreement, please call us and we will mail you a paper copy of the Agreement.

Password and Login ID Security

You must enter your Online Banking Login ID and Password at the start of each Online Banking session. These are for your personal use and you agree to take reasonable precautions to safeguard the password and keep your Login ID and Password confidential in order to prevent unauthorized access to your accounts. You agree not to reveal the password to any unauthorized person. However, if you should provide your Login ID and Password to another person(s) to make transactions on your behalf, both you and such person(s) are bound by the terms and conditions outlined in this agreement. You agree to assume responsibility for all transactions up to the limits allowed by applicable law. You agree to cooperate with us in the investigation and prosecution of any person who has obtained and used your Login ID and Password without your authorization. You should change your password from time to time for security purposes. Every time you sign on, we will ask for your Login ID and Password. We can recognize you based on the computer you use to access online banking. If you sign on from your own computer, we can mark it with a browser cookie that helps us recognize you every time you sign on. If we don't recognize your computer, we will ask you to retrieve a one-time passcode sent via text message or voice call to a phone number you have previously determined to help us recognize you when you log on from a new computer.

If at any time you have forgotten your password, you may use the Forgotten Password System through the "Forgot Password?" link. This link is located on the Login ID/Password page. Click on the link and follow the on-screen instructions. This feature will enable our customers to reset their own lost or forgotten passwords without having to contact the bank.

Protecting Your Personal Information

In addition to protecting your access codes, you should also take precautions to protect your personal identification information, such as your driver's license, Social Security number, or tax identification number. This information by itself or together with account information may allow unauthorized access to your accounts. You should treat personal information with the same level of care that you would for your account information. You should also protect and secure all information and data stored in any personal computer or other equipment you use to access our Online Banking service.

Qualifying Accounts

We will tell you which types of accounts qualify for our Online Banking service. You must be a named owner/obligor on the account in our records for it to qualify. Any account requiring more than one signature for withdrawal, draw or transfer of funds does not qualify. You agree to provide us with any authority we require before we permit access to any qualifying account.

Services Available through Online Banking

In addition to viewing account information and transaction history, you may use online banking to conduct the following:

- **Transfer funds** among your checking accounts, statement savings accounts and money market accounts. When you request a fund transfer using this service, you authorize us to follow the transfer instructions and transfer the funds from the designated originating account to the designated recipient account. Your ability to transfer from Money Market Accounts or Statement Savings Accounts is limited. You may not make more than six transfers per month to another account with us or to a third party by means of preauthorized or automatic transfer, order of instruction, or online banking, and the six such transfers can also be made by check, draft, debit card, or similar order made by you and payable to third parties. Transfers from Statement Savings and Money Market Deposit Accounts through this Service are counted against the permissible number of transfers prescribed by federal law. All Bill Payment and Transfers are subject to the terms and conditions of the deposit account being accessed. Please see the Account Agreement for more detail about these restrictions.

- **Schedule recurring transfers.** When scheduling a recurring transfer, if the date of transfer is not a business day, the transfer will occur on the next business day.
- **Account Information.** You may check the balances in your accounts that are accessed by Online Banking.

NOTE: The balance figure may not reflect your most recent transactions, and may also include funds which may not be immediately available for withdrawal.

- **Set up notifications.**
- **See if a check has cleared and view image.**
- **Stop payment of Checks.** You may stop payment on a check(s) that you have written from your checking account that has not already been paid or certified. We will not take action on your stop payment request until we actually receive the completed request. Typically, an electronic request for a stop payment on a check is received by us on the next business day we are open.
- **Check Reorders.**
- **Bill Payment.** The Bill Payment service permits you to direct payments to businesses or individuals you wish to pay from the designated online Bill Pay Funding Account selected during the enrollment process. Your Bill Pay Funding Account must be a checking account.
- **View Online Statements (eStatements).** You will continue to receive your regular account statement either monthly or periodically, depending on the type of account. eStatements are electronic versions of the deposit statements you receive in the mail. Online access means that you can view your statements at any time, from any location, via your online banking service. If you subscribe to our eStatement service, you will no longer continue to receive paper statements in the mail.
- **Export data to some versions of personal financial management packages such as Quicken.**
- **Personal Financial Management (MX)**
- **External Funds Transfer.** You may transfer funds from your account to accounts held by you at another financial institution through the external funds transfer feature.
- **New Services.** New services may be introduced to online banking from time to time. The Cooperative Bank will notify you of the existence of these new services. By using these services when they become available, you agree to be bound by the rules that will be made available to you, concerning these services.

Preauthorized Recurring Fund Transfers

To the extent we make them available, you authorize us to establish preauthorized recurring fund transfers in accordance with the requests you make for us to do so. We will only allow preauthorized recurring fund transfers that do not vary in amount.

Limits on Online Funds Transfers

You must have enough available money or credit in any account from which you instruct us to make a transfer. All transfers must be in U.S. Dollars.

For security reasons, we may implement limits on the number or amount of transactions you can make using our Online Banking service. We also reserve the right to limit or suspend access to our Online Banking service as we deem necessary for security reasons. We may also limit access from countries other than the United States of America.

If any qualifying accounts are money market deposit accounts or savings deposit accounts, certain types of withdrawals from those accounts, including payments and transfers, are limited to a total of no more than 6 in any specified period. The specified period for money market deposit accounts and

savings accounts is the monthly statement period. The kinds of withdrawals covered by this limitation are those made by means of preauthorized or automatic transfers and payments or telephone agreement, order or instruction.

When Online Funds Transfers are Made

Transfers are not final at the time we receive your instructions, but we will begin to process them promptly. You should allow at least 1 business day for us to process transfers.

Each transfer will be posted to any account with us from which it is made, and to any other account with us that is involved in the transaction, on the business day on which the transfer is made. Each transfer you make on a non-business day, or after our Online Banking cut-off time on any business day, will be considered made on the following business day. Information you obtain about your accounts using our Online Banking service may not reflect transactions that have not yet been posted to your accounts. You should keep that in mind when you perform or attempt to perform any transactions on the basis of such information.

Our Liability for Failure to Complete Transfers from Consumer Accounts

If we do not complete a transfer from a consumer account on time or in the correct amount according to our agreement with you, we will be liable for your losses or damages. However, there are exceptions. We will NOT be liable, for instance:

- If, through no fault of ours, you do not have enough available money in the account from which a transfer is to be made, or if the account has been closed or is not in good standing, or if we reverse a transfer because of insufficient funds.
- If any transfer would go over the credit limit of any account.
- If your equipment or ours was not working properly and the breakdown should have been apparent to you when you attempted to conduct the transaction.
- If you have not given us complete, correct or current account numbers or other identifying information so that we can properly credit your account or otherwise complete the transaction.
- If you do not properly follow our instructions or if you provide us with wrong or inaccurate information or fail to correct or tell us about any inaccuracy of which you are aware.
- If you do not instruct us soon enough for your transfer to be received and credited.
- If the money in the account from which a transfer is to be made is subject to legal process or other claim restricting the transaction.
- If circumstances or persons beyond our control prevent, delay, intercept, or alter the transaction, despite reasonable precautions that we have taken.

Business Days

Our Online Banking service is generally available 24 hours a day, 7 days a week. However, we only process transactions and update information on business days. Our business days are Monday through Friday. Holidays are not business days.

Stopping or Changing Transfers

If you want to stop or change transfers you have instructed us to make, you must notify us before we have started processing the transaction. This applies to both individual transactions as well as preauthorized recurring transactions. The normal way to do this is for you to access the appropriate function in our Online Banking service no later than the day before the business day the transfer is scheduled to be made, and either delete it or make the change.

Bill Payment Services

Description of Service

The Bill Payment Service permits you to use your Internet-enabled device to direct payments from your designated online Bill Payment Funding Account to third parties you wish to pay. Your Bill Payment Funding Account must be a checking account. Through the Bill Payment Service, you can pay bills from your Bill Payment Funding Account to businesses or individuals. After funds are withdrawn from your Bill Pay Funding Account to make a payment, we may make the payment either by transferring funds electronically to the payee or by mailing the payee a check.

All payments you make will be deducted from the checking account that you designate as your Bill Payment Funding Account for the Bill Payment Service. Any payments you wish to make through this Service must be payable in U.S. dollars to a payee located in the continental United States. We reserve the right to restrict types of payees to whom payments may be made using the Service from time to time.

- A. Scheduling Payments . Funds must be available in your Bill Payment Funding Account on the scheduled payment date. If the date you schedule a payment to be initiated falls on a non-business day (Saturday, Sunday, or holiday), funds must be available in your Bill Payment Funding Account the following business day (e.g. Monday). We advise you to check automatic payments at the beginning of each month and adjust the dates if needed.

You may choose to schedule payments to recur in the same amount at regular weekly, monthly or semi-monthly intervals. The funds will not be withdrawn from your account until those dates. If the payment is an Automatic Clearing House (ACH) electronic payment, it will take up to four (4) business days to reach the payee. However, if the company or person that you are paying cannot accept an electronic payment, the Bill Payment Service will send a check that may take up to ten (10) business days. You must allow sufficient time, up to ten business days, to process the bill payments so that the funds can be delivered to the payee before the payment due date. The Cooperative Bank is not liable in any way for damages you incur if you do not have sufficient funds in your account to make the payment, if you do not allow sufficient time for delivery to the payee or if there have been delays in mail delivery, changes of merchant address or account number, the failure of any payment in a timely manner or for any other circumstances beyond the control of The Cooperative Bank.

- B. Business Days. Our Online Banking service is generally available 24 hours a day, 7 days a week. However, we only process transactions and update information on business days. Our business days are Monday through Friday. Holidays are not business days.
- C. No Signature Required . When any payment or other online service generates items to be charged to your account, you agree that we may debit your Bill Payment Funding Account without requiring your signature on the item and without prior notice to you.
- D. Confirmation of Payments. Each time you properly enter payment instructions, you are authorizing us to process your request in accordance with your instructions. You will be given a confirmation number; record this number, along with the payee, scheduled date and transaction amount. This will help in resolving any problems that may occur. No printed receipts are issued through Online Banking. If you have been notified of our refusal or inability to make a payment or you do not follow the instructions that we provide to you for initiating payments, you will bear full responsibility for all late fees, finance charges and other damages that you incur, and we will not be liable for any such amounts.
- E. Multiple Person Bill Payment Accounts . If more than one person has access to a Bill Payment Funding Account, each person may individually enroll in the Bill Pay service. Each enrolled person needs a unique password but may choose to use the same payee list. Each individual may terminate her/his enrollment in the Bill Payment service without affecting the Service for any other person enrolled in that Bill Payment Funding Account. However, any enrolled person may terminate the Bill Payment service which will terminate the service for all enrolled persons on that Bill Payment account.
- F. Other Agreements. In addition to the Agreement, you and The Cooperative Bank agree to be bound by and comply with the requirements of the agreements to each of your Online Accounts. Your use of the Online Banking services or the Bill Payment service is your acknowledgement that you have received these agreements and intend to be bound by them. You should review other disclosures received by you when you open your account(s) at The Cooperative Bank.
- G. Modifications to this Agreement. The Cooperative Bank may modify the terms and conditions applicable to the Online Banking or Bill Payment services from time to time. We will give you notice of any modification as required by law. The revised terms and conditions shall be effective at the earliest date allowed by applicable law. We may send any notice to you via electronic mail and you will be deemed to have received it three days after it is sent.
- H. Cancel or Change Payment Instructions . Payments can be canceled or modified only when they are found on the pending payment screen. You should not, therefore, employ online

banking bill payment service for payment of purchases or services unless you are satisfied that you will not need to stop a payment. If you ask us to cancel a payment after it is issued and we agree to do so, we may charge you a stop payment fee. Check stop payment orders whether oral or written, will be in effect for a period of six (6) months. If requested by the Bank, you will confirm any stop payment order in writing. After six (6) months, any check stop payment will terminate and must be renewed in order to continue in effect. The Bank may pay any item that is presented following the lapse of any stop payment order. Please refer to The Cooperative Banks fee schedule for a complete listing of our fees.

- I. **Canceling the Service.** You can also terminate this Agreement or the Services at any time. To cancel online banking and/or Bill Payment Services, you must notify The Cooperative Bank and provide your name; address; whether you are discontinuing Online Banking, Bill Payment or both; and the effective date to stop the service. When Bill Payment is terminated (either by you or us), prescheduled or recurring Bill Payments will also be terminated. However, you will be responsible for any payments that have been paid through this date. You may notify us by one of the following methods:
 1. By calling The Cooperative Bank at (617) 325-2900
 2. By writing a letter and sending it to, The Cooperative Bank, 40 Belgrade Avenue, Roslindale, MA 02131 or giving it to a customer service representative at any The Cooperative Bank location.
- J. **Termination.** We can terminate this Agreement or any of your electronic banking privileges (including the Bill Payment services) at any time. If we do so, we will give you any notice required by law.

Unsupported Payments

Do not use online banking to make tax payments, court ordered payments, and payments made outside the U.S. and its territories, since they will not be supported. Some other categories of payees may also be restricted. Payments for these payees will be your sole responsibility if delayed or improperly processed or credited.

Payment Amount Limit

We limit the amount of Bill Pay transaction to a daily limit of \$50,000.00.

Consumers Accessing Bill Pay Outside the United States

Consumers may access Bill Pay anywhere they can access Internet Banking. The limitation of using the 128-bit encryption outside the U.S. may limit the ability of a consumer to use the product securely.

Our financial management tools allow you to view accounts that you may have outside our financial institution (this is a process called "aggregation"). When you choose to use online financial services which are applicable to data that you have transacted with other financial institutions or card issuers, you are consenting to us accessing and aggregating your data from those outside financial institutions. That data includes your financial institution account access number(s), password(s), security question(s) and answer(s), account number(s), login information, and any other security or access information used to access your account(s) with other financial institutions, and the actual data in your account(s) with such financial institution(s) such as account balances, debits and deposits (collectively, "Financial Account Data"). In giving that consent, you are agreeing that we, or a third party vendor on our behalf, may use, copy and retain all non-personally identifiable information of yours for the following purposes: (i) as pertains to the use, function, or performance of the services which you have selected; (ii) as necessary or useful in helping us, or third parties on our behalf, to diagnose or correct errors, problems, or defects in the services you have selected; (iii) for measuring downloads, acceptance, or use of the services you have selected; (iv) for the security or protection of the services you have selected; (v) for the evaluation, introduction, implementation, or testing of the services you have selected, or their upgrade, improvement or enhancement; (vi) to assist us in performing our obligations to you in providing the services you have selected.

If we make additional online financial services available to you which are applicable to data that you have transacted with other financial institutions or card issuers, and which we will aggregate at this

site, we will separately ask for your consent to collect and use that information to provide you with relevant offers and services. If you give us your consent, you will be agreeing to permit us to use Financial Account Data to help us suggest savings opportunities or additional products and services to you.

If you select services that are offered by third parties or merchants through such offers or on our behalf, you will be agreeing that we have your consent to give such third parties or merchants your geographic location, and other data, collected and stored in aggregate, as necessary for such third parties or merchants to make their offerings and services available to you and to permit us to use Financial Account Data to help us suggest savings opportunities or additional products and services to you. Except as specified here, we and the third parties or merchants acting on our behalf shall not use or keep any of your personally identifiable information.

USE, STORAGE AND ACCESS. We shall have the right, in our sole discretion and with reasonable notice posted on the MX site and/or sent to your email address provided in the Registration Data, to establish or change limits concerning use of the Service and any related services, temporarily or permanently, including but not limited to (i) the amount of storage space you have available through the Service at any time, and (ii) the number of times (and the maximum duration for which) you may access the Service in a given period of time. We reserve the right to make any such changes effective immediately to maintain the security of the system or Licensee Access Information or to comply with any laws or regulations, and to provide you with electronic or written notice within thirty (30) days after such change. You may reject changes by discontinuing use of the Service and any related services to which such changes relate. Your continued use of the Service or any related services will constitute your acceptance of and agreement to such changes. Maintenance of the Service or any related services may be performed from time-to-time resulting in interrupted service, delays or errors in such Service or related services. Attempts to provide prior notice of scheduled maintenance will be made, but we cannot guarantee that such notice will be provided.

We do not review, approve, monitor, endorse, warrant, or make any representations with respect to Third Party Websites, and the inclusion of any link in the Service, or any other services provided in connection with the Service is not and does not imply an affiliation, sponsorship, endorsement, approval, investigation, verification or monitoring by us of any information contained in any Third Party Website. In no event will we be responsible for the information contained in such Third Party Website or for your use of or inability to use such website.
